# **CALL Your Representative in Congress** **About the** **USPS FAIRNESS ACT (H.R. 2382)**

If passed, H.R. 2382 would repeal in total the Postal Accountability and Enhancement Act's (PAEA) mandate to prefund retiree healthcare benefits.

This mandate accounts for the vast majority of the financial crisis facing the postal service and is constantly used by privatization advocates who want to sell off the USPS to private corporations.
