

Just say no! to the Postal Pulse

***Financial Health Warning:
Management has a history of trying
to use survey results to limit and
lower wages for postal workers***

APWU

APWU at the National level has been notified by The Postal Service they will be attempting to take your "Postal Pulse" from May 11, 2021 thru June 11, 2021. Don't fill out these surveys online, through the mail, or in the office and make sure to take your survey from management. **You are not required to take the survey and don't let management keep your survey.** Management has routinely used these surveys to argue in arbitration to cut your wages and benefits. The Postal Pulse survey is being pushed immediately before APWU begins contract negotiations **DO NOT ASSIST MANAGEMENT IN STRIPPING YOUR PAY, BENEFITS, AND WORKING CONDITIONS** by participating in the survey. Give your survey to your steward to enter into a quarterly drawing.

Yours in Solidarity!
